Hi Michael,

~~My apologies if I have not responded to your email in a timely manner.~~

~~I'm sorry about the delay.~~

I was very satisfied with my interactions with Mr Michael Vaidya, from Hadleigh estate agents with regards to a recent property purchase. His patience, professionalism and pleasant manner made the daunting process as a first time buyer quite smooth. Even though in his role he had to ensure the sellers best interests, he was able to build a trusted relationship with me as the buyer and did his best to accommodate my requests.

I would highly recommend his services and would personally use them in the future.

Kind Regards,

~~Piyal Choudhury~~
