Subject: Thank you

Michael, Nick,

Just wanted to say a huge thankyou for selling [REDACTED] Gilling Court for me. I know it took a long time, but we got there in the end and I sincerely can't fault Haleigh's service through-out - you were both great.

I thought the best way I could thankyou might be to leave a glowing on-line review for Hadleigh's somewhere on the internet, maybe google maps or another if you prefer (or not at all if your prefer not). Anyhow let me know if you have a preference one way or another.

Thanks again,

Jessica
