Hi Michael,

Please post this on your testimonial page!

Michael Vaidya was at all times a calm and informative guide in the very stressful business of selling my mothers flat, particularly since I live outside of London. He would go and visit it to keep an eye on it (and water the plants,) and reported promptly on how all the viewings went and liaised with both sets of Solicitors. It wasn't about simply sealing the deal and walking away but providing a complete service up to the point of exchange and completion of the sale.

Dear Geoff & Lisa,

I trust you are both well and regret that I was not available when you came in.

I just wanted to personally thank you for the bottle of Champaign which we will have no difficulty in finding a suitable opportunity to consume!
