Subject: Re: Thank you

Hi Michael,

I've written a review.

"I can not recommend Michael Vaidya and Hadleigh enough. At all times Michael was professional, helpful, and attentive. He offered balanced and practical advice, before and during the process of selling my property in Belsize Park. I wish every estate agent I deal with could be as thorough and thoughtful as Michael.

My experience was altogether pleasant and effortless, and hence I recommend Hadleigh to anyone buying or selling property in the area.

Thank you Michael; Thank you Hadleigh."

All best,

Charles
