Dear Nick,

I have so much to be grateful to the team at Hadleigh¹s primarily Sylvie and Lauren. I could not have done a massive renovation without their suggestions and input. Flat is now rented and now I¹m away, its the additional endless niggly tasks, all cheerfully undertaken and for no extra fee that makes them extra special. In 9 years they still deliver that bit more and I wouldn¹t want to use anyone else.

Kind regards,

Rima
