Dear Michael Vaidya

I would like to thank you very much in all your efforts for making the sale of my flat as painless as it could possibly be. Firstly I appreciated the updates of potential buyers and feedback on their responses. Then when you had a buyer lined up, you provided a clear assessment of all the issues to do with lease extensions and future capital costs. You also provided a regular line of communication with the buyer as previous experience has taught me it's best to deal through the agent when they are doing the job efficiently.

I will certainly have no hesitation in passing on a recommendation to anyone.

Best wishes
