Of course!

My parents sold a property with Hadleighs and couldn't praise them enough so I've just used them to sell two properties. Nick and Michael have been quick, professional, and handled a complicated tenancy issue extremely sensitively. I'd recommend them to anyone.

Hi Harriet,

I hope you had a great Christmas & all the best for 2019.

Could I possibly ask a favour? We're a small independent company we survive mainly on recommendations and helping the "we're a part of the community" theme and so we have collected lots of testimonials that we display on our website. I've attached the link here so you can see what we do with them.

Assuming you were happy with how our program would you mind writing a line or two? As you can see we remove all personal information from them.

Let me know,
