

## 'Philip [REDACTED]' said about Hadleigh Residential

Services: Sales (as a Vendor) Date: 4th July 2019

An excellent agency, who worked hard for us to close our sale at a price that was where we anticipated it would be. Service from them was always timely, and they always followed through doing what they said they would do, despite it being a protracted sale process. Lawyers on both sides did not cover themselves in glory - we had to change ours mid way - but Hadleigh steered a path through the difficulties. All credit to Noah Perlman who did his job well and gave us good support.
