

## **'Sam' said about Hadleigh Residential**

**Services: Sales (as a Buyer)    Date: 12th July 2019**

I bought a property with Hadeligh and dealt with Michael Vaidya. At all times Michael was knowledgeable, prompt in replying to emails and phone calls, and delightful to deal with. The purchase was delayed (through no fault of Hadleigh), but Michael did his utmost to keep the ball rolling at all times, and was always positive and proactive. Would definitely recommend to others.
