Services: Sales (as a Buyer) Date: 17th July 2019

We have searched to buy a flat for a very long time. Throughout, Michael Vaidya from Hadleigh showed us high quality flats. He was quick to understand our needs and implement this understanding in the search process. All the while, he exhibited much patience and perseverance. He was always ready to help, very gently, with no pressure. Michael has the highest standards in this profession; he is by far the most helpful, knowledgeable, honest, and trustworthy agent we have ever known. In the sale process itself he smoothed out all obstacles. Our appreciation is tremendous and our recommendation is enthusiastic.
