Michael was an absolute pleasure to work with for the entirety of the buying process. During the initial viewing he was friendly without being pushy. He was excellent in facilitating an efficient negotiation between parties taking into account my personal circumstances. He made regular contact between acceptance of the offer and exchanging contracts, keeping me in the loop with regular updates. During one of my viewings, he assisted me with performing all of the measurements and taking photographs which gave me a lot of peace of mind. I couldn't recommend Michael at Hadleigh more highly enough
