Michael and team did a fantastic job supporting me through the process when selling my flat in Belsize Park. Professional, knowledgeable, organised and friendly. Invaluable to have that expertise just an email or phone call away every step of the way through the process. From valuation, marketing, negotiation and through the legal process he made sure any obstacle was smoothly and swiftly navigated. What could have been a daunting task, especially during a global pandemic, ran very smoothly thanks to the excellent advice and guidance provided through the process. I couldn't recommend the service more highly!
