Experience: Would you use the agent again? 😊 YES

I spoke to a few agents in belsize park in the view of selling my flat on haverstock hill.

To be honest they did not really listen to my opinion on what the flat was worth. Also they appeared to want to sell the flat quick.

As soon as i met Stefano from hadliegh i had the gut feeling they were the agents for me.

Stefano and Nick were polite curteous and kept me informed every step of the way.

They had a real desire to get me the best price possible.

Also they treated my buyer with a lot of consideration and even took the time to listen to her, as they relayed to me her train of thoughts and desires.

I strongly recommend Hadliegh Residential to buyers and sellers.
