Hi Michael,

My husband and I love the flat! We only (reluctantly) left it moments ago to go to our current flat to get some sleep as we have an early start in Belsize tomorrow. We can't wait to move in!

Please thank Ingo and Kim for all the instructions they left. It will take us time to memorise them all! Also thank them for the card and the bottle of champagne. What a lovely surprise! We certainly opened on the spot to celebrate!

Thanks to you too. You did a marvellous job. It was a pleasure dealing with you.

Kind regards,  
Cecile
